RE: 9<sup>th</sup> Annual Louie Pellegrini IV Memorial Safety Road-e-o Raffle Prize Donations

The 9<sup>th</sup> Annual CRRC Louie Pellegrini IV Memorial Safety Road-e-o (*formerly the CRRC Truck & Mechanic Safety Road-e-o established in 1991*) will be held Saturday, October 6, 2018 at the Alameda County Fairgrounds in Pleasanton. We encourage all CRRC members and invited guest companies to participate by sending individuals and teams of refuse & recycling drivers, mechanics and forklift operators to represent their company. This event is intended to promote safety and professionalism, and creates a spirit of healthy competition and goodwill for all CRRC companies, their employees, guests, families and friends.

One of the highlights of the Road-e-o is a raffle for participants. We are hoping that you can help us by donating to the raffle. Last year, participating companies included a total of 106 drivers, mechanics and forklift operators from:

Amador Valley Industries  
California Waste Recovery Systems  
Consolidated Fabricators Corp.  
Garden City Sanitation  
Gilton Solid Waste Management  
Livermore Sanitation  
Mt. Diablo Resource Recovery  
Olcese Waste Services  
Peninsula Sanitary Service, Inc.  
Pleasanton Garbage Service, Inc.  
Republic Services of Alameda County  
South San Francisco Scavenger Co., Inc.  
Specialty Solid Waste & Recycling, Inc.  
Turlock Scavenger Company

With over 800 total attendees, this event gives you a great opportunity for recognition in our industry. Raffle sponsors are listed in the Event Program, as well as on a banner, prominently displayed behind the awards ceremony stage. **The deadline to receive your sponsorship commitment to be listed in the Event Program and on the Sponsor Banner is Friday, September 14.**

Thank you for your consideration in contributing to this great safety event. If you have any questions, please contact Trish Roath, CRRC Executive Director, at (916) 444-2772.

*NOTE: Louie Pellegrini IV from Peninsula Sanitary Service lost his battle with Synovial Sarcoma in June 2010. We are honored to host this event in his memory.*
